Girls in **kindergarten and first grade** learn about:

- understanding themselves and their values, using their knowledge and skills to explore the world,
- caring about, inspiring and teaming with others locally and globally, and
- acting to make the world a better place.

As part of the new Girl Scout Leadership Experience, Girl Scout Daisies can take part in the It's Your World – Change It! series of leadership journeys.

Welcome to the Daisy Flower Garden!

Meet Amazing Daisy and start your own special garden project, then watch it grow! Wear your garden proudly on your vest – Watering Can, Honey Bee and Amazing Daisy awards show what you can do! In this journey for kindergarteners and 1st graders, a favorite pastime – gardening – meets the Girl Scout Law. The result is a storybook world of flowers and little girls who, together, do great things. Girl Scout Daisies will especially enjoy meeting the colorful, global characters who teach them to live the Girl Scout Law.

Troop Leaders

Every Daisy Girl Scout belongs to a troop guided by leaders—community volunteers who are parents or other adults trained by the local Girl Scout council. Leaders work with girls to determine interests and decide on activities within the framework of the Girl Scout program. Parents are asked to support the leader by helping where needed, such as with transportation, group snacks, or family outings.

Uniforms and Books

Girls can wear a Daisy Girl Scout Membership Pin as a sign of their belonging to the Girl Scout Movement. They can also wear the Daisy Girl Scout tunic over their clothes or purchase a variety of official Daisy Girl Scout uniform components. GSUSA Registration: \$12; Dues: A weekly minimal fee. The following items are optional – Daisy tunic, Daisy pin, Promise center and learning petals, troop numerals
